BUSIEST PLACE IN TOWN. The busiest place in Bryan is Walk-

er's 5c and 10c store. It is a regular bee-hive all the time and the nearer the holidays come the greater the crowds. A reporter for The Eagle dropped into the store last night and it was a dazzling scene that met his gaze. Large hundred power lights have been added, making the store as bright as day, and the store was crowded with shoppers inspecting the thousands of articles that are beautifully displayed. The whole house is in holiday attire, the Christmas holly with bright touches of red being used ker calls the attention of the ladies them to call of evenings after tea and the salespeople will take pleasure in showing them through the stock.

System in our Tailor Shop, whereby we use the same preparation that is used in all the largest cleaning establishments in the large cities. This preparation is made especially for a class of garments that cannot be cleaned in water. We clean the most delicate fabrics and colors thoroughly, without the least effect to goods or colo., leaving the garment with the same bright lus-

When having your clothing cleaned bear the fol-lowing in mind: "A garment that is cleaned, regard-less of hew it is cleaned, or how clean it may be, if not thoroughly dried before being pressed, will look worse the first time you wear it out in the dust than it did be-fore cleaned."

All garments cleaned by us are dried in a Sheet Iron Dry Room, which takes every drop of moisture out of the goods before being pressed. We do not hang our garments out in the street and wait for the sun to dry them. We can clean and press your clothes regardless of the weather.

Remember—We are the only shop in the city that has a Dry Room. If you want at class work at moderate prices, send your clothing to us; if you want cheep work
